THE METRODOME

Opened in 1982, the Hubert H. Humphrey Metrodome has been the home to the Twins and other world-class events for ten years. Aside from Twins' baseball, the Metrodome is also home to the Minnesota Vikings of the National Football League, University of Minnesota Golden Gopher football and was the one-year home of the NBA's Minnesota Timberwolves in 1989-90. The Metrodome has hosted both the 1987 and 1991 World Series', the 1985 All-Star Game, the 1990 U.S. Olympic Festival and the 1991 International Special Olympics. This year it will play host to the Super Bowl, making it only the second cold weather site in the game's 26-year history, and NCAA basketball Final Four.

Construction began in December, 1979 on the third domed facility—and the first air-supported structure—in baseball. The dome, which seats 55,883 for baseball, was built with a \$55 million grant from the Minnesota Legislature and is located on a 20-acre site in the Industry Square district, which is framed by downtown Minneapolis to the west and the University of Minnesota to the east.

The stadium has an interior volume of 60 million cubic feet covered by ten acres of Teflon-coated fiberglass 1/32 of an inch thick. The roof is supported by from three-to-six pounds of air pressure per square foot, with the highest point of the ceiling 195 feet above the Astroturf 8 playing surface, which is 47 feet below street level.

The turf was installed in January, 1987 to replace the dome's original carpet. The new turf, manufactured by Astroturf Industries, is removable, unlike the old turf which was glued down. The field dimensions are 343-feet down the leftfield line, 385-feet to the power alley in leftfield, 408-feet to dead centerfield, 367-feet to the rightfield power alley and 327-feet down the line in right. The fence is 13-feet high in left, which includes a 6-foot plexiglass extension, 7-feet in center and 23-feet high in right, including 16-feet of plastic tarp to cover 7600 retractable football seats.

Following the 1988 season, a new Sony JumboTron color video scoreboard and two out-of-town scoreboards were added to the existing black and white message board. Located in the Metrodome's second deck above left-centerfield, the JumboTron measures 19.7-feet x 33-feet, while the message board is 56-feet x 18-feet. An additional color scoreboard was added in 1991, and is located in the second deck behind first base.

The Metrodome has press boxes for both baseball and football and a new media work area recently completed as part of a \$6 million addition to the building. The work area is utilized for larger events that place demands on the Metrodome's work space, such as the World Series, Super Bowl and Final Four. The baseball press box includes two levels: the main level for working press and the second level, which contains six broadcast booths, for radio and television. There are photo pits aside the first and third base dugouts and two upper-deck photo baskets.

METRODOME GROUND RULES

Foul poles are in fair territory.

Ball hitting roof or speakers in fair territory; if caught by fielder, batter is out and base runners advance at their own risk.

Ball hitting roof or speakers in fair territory shall be judged fair or foul in relation to where it hits the ground or is touched by a fielder.

Any ball that hits the speaker or roof in foul territory is a foul ball; if however the ball is caught by fielder, the batter is out and base runners advance at their own risk.

A ball that hits speaker in foul territory and ricochets back into fair territory is still a foul ball; if the ball is caught by fielder, the batter is out and base runners advance at their own risk.

MINNESOTA TWINS' 1992 MEDIA GUIDE

The 1992 Minnesota Twins Media Guide was researched, written and edited by Rob Antony, director of media relations, Steve Rausch, assistant director of media relations, Wendie Erickson, media relations secretary and Gordy Gutowsky, media relations intern, and is based on information available through January 27, 1992. The information contained herein is copyrighted and prepared for the use of members of the print and broadcast media. Those wishing to use any of the enclosed material for commercial purposes should contact the Media Relations department.

The 1992 Minnesota Twins' Media Guide is dedicated to Tom Mee, who has given much of his life to the great game of baseball and the Minnesota Twins. His vast knowledge and professionalism will always be remembered and serve as the mark for which we should all strive to achieve.

CARL R. POHLAD

Owner

In the seven years that he has owned the Minnesota Twins, the club has experienced enormous success. In that time, the Twins have won World Championships in 1987 and 1991, while becoming the first American League team ever to draw three million fans in a season in 1988. In short, the Twins have thrived under Pohlad's ownership, much like his many other business and community interests.

A civic and business leader in the Twin Cities, Mr. Pohlad is associated mainly with the banking industry. He is the president and chief executive officer of Bank Shares Incorporated, which includes Marquette Bank Minneapolis.

Besides the Twins, Pohlad has an array of other business interests. He is chairman of the board of directors for both MEI Corporation and Continental Airlines and is involved with directorships of the Carlson Companies, Inc. and the C.O.M.B. Co. Inc.

Pohlad purchased majority ownership of the Twins on June 22, 1984, in a pre-game ceremony with then-owner Calvin Griffith, and assumed control of the team on September 7 of that year. He purchased the team with a sense of community responsibility and a feeling that major league sports, particularly baseball, are vital to the standard of living any community must strive to achieve.

To the Pohlad family, involvement in the community is important. Mr. Pohlad is active on numerous civic boards, including membership on the Boys' and Girls' Clubs of Minneapolis, of which he is a founding member. He is also active on the boards of Methodist Hospital and the Greater Minneapolis Chamber of Commerce, of which he was the chairman in 1986. He also holds a position on the Board of Regents at Gonzaga University in Spokane, Washington.

A native of West Des Moines, Iowa, Pohlad and his wife, Eloise, to whom he has been married for forty years, make their home in Edina and have three sons, all of whom serve on the Twins' seven-member executive committee.

JERRY BELL

President

Named the third president in the history of the Minnesota Twins in January, 1987, T. Geron (Jerry) Bell is in his sixth year as chief executive of the Twins. It is in that position that Bell is responsible for the business activity of the club.

Bell, 50, joined the Twins from his position as executive director of the Metropolitan Sports Facilities Commission (MSFC), which operates the Metrodome. He joined the MSFC as assistant executive director upon the commission's inception in 1977.

Prior to joining the MSFC, Bell served as chief park planner for the Twin Cities Metropolitan Council. From 1963 to 1975, Jerry was involved with the construction of forty-seven parks, an eighteen-hole golf course, two ice arenas and numerous other park and recreation facilities throughout the Twin Cities metropolitan area.

His professional activities have included three terms as chairman of the North St. Paul/Maplewood School Board; member of the Minneapolis Chamber of Commerce communications committee; Board of Directors for the Greater Minneapolis Convention and Visitors Association; member of the Executive Committee of the Minneapolis/St. Paul Final Four organizing committee and consultant to the Miami Dolphins, Ltd., of the NFL.

Jerry and his wife, Phyllis, who make their home in North St. Paul, have two daughters.

ANDY MacPHAIL

Executive Vice President/General Manager

Representing the third generation in one of baseball's most successful and well-known families, Andy MacPhail is in his sixth year with the Twins and his fifth as executive vice president/general manager in 1992.

MacPhail, 38, was honored by *The Sporting News* as their 1991 Major League Executive of the Year, joining his father, Lee, who won the award in 1966. Andy also earned UPI American League Executive of the Year honors for his role in building the team that went from

last place to World Champions in the span of a season.

MacPhail is responsible for all baseball matters, including all major league player transactions, and he oversees the scouting and minor league operations as well as media relations.

MacPhail joined the Twins in August, 1985, as vice president of player personnel and was promoted to executive vice president/general manager of the club on November 24, 1986. He signed a three-year contract with the Twins on October 7, 1991, that will carry him through the 1994 season.

He began his baseball career in June, 1976, and became assistant director of player development and scouting in 1977 for the Chicago Cubs. In 1982, MacPhail moved to the Houston Astros organization as assistant general manager, where he remained until he joined the Twins.

Under MacPhail the Twins have won two World Championships in five seasons and have won 90 or more games twice, in 1988 and 1991, the only times that has happened since 1970.

Born in Bronxville, New York, MacPhail is the son of one-time American League president Lee MacPhail and the grandson of former Brooklyn Dodger and New York Yankee owner Larry MacPhail. A 1976 graduate of Dickinson College, Andy and his wife, Lark, along with their son, William Reed, make their home in Edina.

TERRY RYAN

Vice President, Player Personnel

Terry Ryan, who joined the Twins as scouting director in January, 1986, after five years as Midwest scouting supervisor for the New York Mets, was promoted to vice president of player personnel on September 23, 1991. He succeeds Bob Gebhard, who was named as general manager of the expansion Colorado Rockies.

Ryan, 37, was drafted by the Twins in 1972 and pitched four seasons in the organization before an arm injury cut short his career. As scouting director he was responsible for drafting current Twins Scott Erickson, Mark Guthrie, Chuck Knoblauch and Scott Leius and helping to build the foundation of two Twins' World Championship teams in 1987 and 1991.

In his present position, Ryan is responsible for scouting and evaluating all talent at the major league level and assisting general manager Andy MacPhail in personnel decisions.

Terry and his wife, Karilyn, have two children, Tim and Kathleen.

DAVE MOORE

Vice President, Marketing

A member of the Twins' front office for the past 23 years, Dave Moore was named vice president of marketing in January, 1992. He oversees the entire Twins marketing department including promotions, communications, broadcasting and community relations. Prior to his marketing post, Moore was the Twins' vice president of consumer services in 1991.

Moore, 46, came to the Twins in 1968 from Ralston Purina in Minneapolis, where he was an assistant office manager. He joined the Twins in their accounting department and held

MOORE (continued)...

the position of internal auditor. He remained in that position until he was promoted to ticket manager in 1977. Following the 1984 season, Moore was named vice president of stadium operations, where he remained until 1990.

Moore and his wife, Susan, have two grown children, Amy and Tom.

TRAINERS AND CLUBHOUSE MEN

DICK MARTIN, Trainer

Dick Martin begins his 20th season as the Twins' head trainer and his 24th in the Twins' organization in 1992. He began his career with the Lynchburg (VA) Twins of the Carolina League in 1969 and continued in that capacity until 1972, when he was promoted to Minnesota as assistant to trainer George Lentz. After one season, Martin was named head trainer and has spent the past 20 seasons establishing himself as one of the best in his field. Martin, 42,

earned his undergraduate degree from Lynchburg College and went on to post-graduate studies at Indiana University. He is an active member of the Professional Baseball Athletic Trainers Society who makes his home in West Melbourne, FL with wife, Diane, daughter, Laura and son, Tyler.

DOUG NELSON, Assistant Trainer

Doug Nelson begins his third season as Dick Martin's assistant in 1992, after having served on a part-time basis in that capacity from 1986-89. A native of Stillwater, MN, Nelson, 38, attended Golden Valley Junior College and Augsburg College in Minneapolis, from which he received his B.A. in physical education. He received his masters degree in athletic administration from St. Thomas College in 1979 and joined the Augsburg training staff in

1980, where he remained until 1990, serving as trainer for all mens and womens sports.

JIM WIESNER, Equipment Manager

Twins' equipment manager Jim Wiesner begins his 40th year in professional baseball, his 32nd year with the Twins and his eighth in the home clubhouse in 1992. 'Wies', 51, began his career in 1953 with the minor league St. Paul Saints and worked there until 1960, when he moved to the Twins as the visiting clubhouse attendant and one of the first employees hired by Calvin Griffith. In December, 1984, he was named the Twins' equipment manager, a position in

which he is responsible for the purchasing and upkeep of all team and personal player equipment and the movement of equipment on all road trips. Known as the team's number one cheerleader, Wiesner and his wife, Margie live in St. Paul and have a daughter, Barbie, a son, T.J., and two grandsons.

JIM DUNN, Visiting Clubhouse

Visiting clubhouse man Jim Dunn joined the Twins as a bat boy in 1977, where he spent two seasons. From 1979-84 he was the assistant equipment manager to Jim Wiesner before being named to his present position in 1985. A graduate of Minnetonka High School, Dunn, 31, oversees all equipment needs for visiting teams, prepares meals, supervises the visiting clubhouse at Fort Myers and assists Wiesner in various duties. Jim and his wife, Kim, and their

daughter, Stephanie, live in Andover.

MAJOR LEAGUE TRADING REGULATIONS

The trading deadline for all inter- and intra-league deals is midnight on July 31. Waivers are required for all inter- and intra-league deals August 1 until 5:00 p.m. (EDT) the day after the regular season concludes. No waivers are required the remaining 10 months of the year.

CHAMPIONSHIP QUALIFICATIONS

A player must have a minimum of 502 plate appearances (at-bats, walks, hit-by-pitch, sacrifices, sacrifice flies and catcher's interference) to qualify for a major league batting-percentage championship.

If a batter falls short of 502 plate appearances, he might still be determined the batting champion if by adding a sufficient number of at-bats to his record to bring his plate appearances up to 502, his average based on these additional at-bats is still the highest in the league. His actual average, however, would be the official.

For the ERA title, a pitcher must pitch a minimum of 162 innings.

PLAYER LIMITS

Major league rosters are limited to 25 active players from Opening Day through August 31. Teams may expand their active rosters to as many as 40 players on September 1. During the course of the season, a team may place as many players as they want on the 15-day disabled list, during which they must remain inactive for a minimum of 15 days (no maximum). Teams may also place as many players as they need to on the 60-day emergency disabled list, where they must remain for a minimum of 60 days, but only when the club is at the maximum of 40 players. Players carried on this list are not counted in 40-man roster limit. If placed or transferred there after 60 days prior to the final game of the season, the player must remain there through post-season.

PINCH-HITTER RULE

A player shall be considered a pinch-hitter only if he enters the game as a substitute batter, and then only on his first time at bat, which must be before he becomes a fielder. (If the team bats around and a pinch-hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch-hitter during that second time up.)

A substitute hitter for a designated hitter is both a pinch-hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of the designated hitter for that game.

The designated hitter is 'locked' into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher must then assume the batting of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

EARNED-RUNS RULE

The determination of earned-runs is as follows:

'An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls, and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.'

Until 1969, a reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DID YOU KNOW ????

. . . that only once in their 31 seasons have the Twins won three games in a row by the same score. They beat Boston on September 3, 1987, 2-1, and followed with 2-1 victories over Milwaukee the next two days, all three of which took place in the Metrodome. The Twins have twice lost three games in a row by the same score. They were 2-1 games, July 21-23, 1967 at California, and 4-3 decisions, May 2-4, 1988, the first two coming at Milwaukee and the third at Baltimore. There have been 14 other occasions when three straight Twins' games wound up with the same score, but with different winners.

DID YOU KNOW ????

. . . that on 21 occasions Twins catchers and pitchers have combined to nab three would-be basestealers in a game, but only once, May 29, 1982, have they ever nailed four runners. Ken Griffey, Graig Nettles, Bobby Murcer and Willie Randolph were caught by catcher Sal Butera that day; Nettles and Murcer as part of a Twins' tripleplay.

DID YOU KNOW ????

... that the Twins have hosted two Major League All-Star games, in 1965 and 1985.

DID YOU KNOW ????

... that the Twins drew 300,000 fans in six openings in Toronto in 1991, an average of 50,000 fans per opening. That bettered the club-record total of 298,891 the Twins drew in Toronto in six openings in 1990. With the exception of Toronto, the best total attendance the Twins have ever drawn in a city on the road is 236,807, which they attracted in nine openings in California in 1967.

HOW DO YOU FIGURE . . .

BATTING AVERAGE: Divide the number of safe hits by the total number of at-bats (at-bats do not include walks, sacrifices, hit by pitch or times awarded first on obstruction or interference).

SLUGGING PERCENTAGE: Divide the total bases of all safe hits by the total number of at-bats.

ON-BASE PERCENTAGE: Add the total number of hits, walks and hit by pitches and divide by the total of at-bats, walks, hit by pitches and sacrifice flies.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

EARNED-RUN AVERAGE: Multiply the total number of earned runs by 9, then divide the result by the number of innings pitched.

WON-LOST PERCENTAGE: Divide the number of games won by the total number of games played.

FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

THE GEMINI CLUB

The Twins' success in recent seasons has been mirrored by a decided upswing in season ticket sales. A great deal of the credit for this surge to over 10,000 season tickets is due to the efforts of the club's volunteer ticket-selling arm, the Gemini Club.

Under the direction of Twins' executive Dave Moore, the Gemini Club has helped to bring the team's season ticket total up from a level near the bottom of the majors to one of the best of totals among big league teams in the '90s.

Dick Schultz of IBM is the president of the Gemini Club, which currently numbers approximately 45 members. Most of these are Twin Cities businesspersons, but the ranks include individuals from out-state communities, as well. Schultz is assisted by a five-member board of directors, and the sales force consists of five teams of up to nine members each.

Each of these Gemini Club members volunteers his or her time in an effort to assure that major league baseball will always be a viable commodity in our Upper Midwest market. Each of them, too, was selected after a careful screening process based on a determination of the qualifications needed to be a success in this unique venture. Member who reach their goals receive among other things a trip to spring training and an American League pass.

Persons interested in becoming Gemini members need only contact Matt Day at (612) 375-7482.

DID YOU KNOW ????

... that Brown, Jackson, Johnson and Williams have been the most popular surnames among Twins' players over the years, each represented by three players. There are seventeen other names shared by two Twins' players.

DID YOU KNOW ????

... that the longest homerun ever hit in the Metrodome was hit to the second deck in rightfield by Milwaukee's Ben Oglivie off Brad Havens, July 27, 1983, a 481-ft. shot. Kansas City's Bo Jackson holds the record for the longest homer to centerfield, 466-ft., off Bert Blyleven, June 10, 1987. Twin Kirby Puckett hit the longest boomer to leftfield, 459-ft., off Boston's Wes Gardner, September 3, 1987. The honor for the longest ever hit by a Twin in the Metrodome, however, belongs to Kent Hrbek, who smashed a 480-ft. shot to rightfield off Texas' Charlie Hough, September 9, 1984.

SAVES RULE

Credit a pitcher with a save when he meets all three of the following conditions:

- (1) He is the finishing pitcher in a game won by his club; and
- (2) He is not the winning pitcher; and
- (3) He qualifies under one of the following conditions:
 - (a) He enters the game with a lead of no more than three runs and pitches for at least one inning; or
 - (b) He enters the game with the potential tying run either on base, at bat or on deck; or
 - (c) He pitches effectively for at least three innings.

No more than one save may be credited in each game.

It is considered a 'blown save' when a pitcher who has entered a game in a save situation departs with the save situation no longer in effect because he has given up the lead. If the save situation still exists when he leaves the game, he is not charged with a save opportunity. And, if he has not given up the lead when he leaves the game, even though the save situation may no longer exist, he is not charged with a save opportunity.

DID YOU KNOW ????

... that the Twins won their first major league Roloids Team Bullpen title in 1991 with a total of 149 points, one more than second place Toronto. The bullpen was 24-16 with 53 saves and 13 blown saves on the year, with only two teams blowing fewer save opportunities.

JIM RANTZ

Director of Minor League Operations

Jim Rantz has been a member of the Twins' organization since its inception in 1961 after signing his first professional contract with Washington in 1960. A former pitcher, Rantz, 54, spent five years as a player and manager before joining the Twins' front office following the 1965 season.

He spent four years as assistant public relations director before moving into the minor league and scouting department. He was named director of minor league operations in January, 1986.

Rantz' duties include full administration of the minor league department, including the working relationships with the Twins' six affiliates. He is responsible for all player moves at the minor league level and for the development of young talent for the major league club. Rantz handles contract negotiations with minor league players.

Jim and Pearl Rantz have four grown children and make their home in Shoreview.

BILL SMITH

Assistant General Manager

Bill Smith, who for the previous two seasons had been the Twins' director of baseball administration, was named assistant general manager on September 23, 1991. He joined the Twins in March, 1986 as assistant director of minor leagues and scouting. Prior to that, from 1983-85, he was the general manager of the Class A Appleton Foxes, then an affiliate of the Chicago White Sox in the Midwest League.

Smith, 34, a graduate of Hamilton College in New York, was one of the first participants in Major League Baseball's Executive Development program in 1980. From there he was hired by the White Sox as assistant director of minor leagues and scouting where he spent the 1981-82 seasons.

Smith was named director of baseball administration in October, 1989 before his promotion to his current position. There, he is responsible for the majority of the details in the Twins' minor league and scouting departments as well as assisting Andy MacPhail and Terry Ryan in major league player developments. Smith was also the Twins' liaison during the construction of their spring training home in Fort Myers, FL from 1989-91.

Bill, wife Becky and twin daughters Amy and Allison make their home in Bloomington.

LARRY CORRIGAN

Director of Scouting

Larry Corrigan was named the Twins' director of scouting on October 30, 1991, to succeed Terry Ryan, who was promoted to vice president of player personnel upon the departure of Bob Gebhard to the expansion Colorado Rockies.

The Twins' West Coast scouting supervisor since 1987, Corrigan oversees 30 full-time and 12 part-time scouts, coordinates the annual draft of high school and college players and the scouting coverage of all professional baseball leagues.

Before joining the Twins, Corrigan, 41, was an area scout in Southern California for the Oakland Athletics. Prior to that, he was the pitching coach at Cal. State — Fullerton and head coach at Iowa State University. Corrigan was also a minor league pitcher and catcher in both the Dodgers' and Twins' organizations.

Larry and his wife, Lorie, make their home in Eagan.

DID YOU KNOW ????

... that the Twins' farm system has produced 30 batting champions, 47 homerun leaders and 48 rbi champions over the 31 seasons since 1960. Included are two 'Triple Crown' winners: outfielder Andy Kosco with Bismarck-Mandan of the Class-A Northern League in 1964, and outfielder Moe Hill of Wisconsin Rapids in the Class-A Midwest League in 1974.

MINNESOTA TWINS' RETIRED NUMBERS

3

HARMON KILLEBREW

Number formally retired August 11, 1974

One of the greatest homerun hitters of all time, Harmon Killebrew will forever be remembered to Twins fans as the 'Killer' for his prolific clouts. A member of the Twins from their inaugural Minnesota season in 1961, Killebrew hit 573 career homeruns, 475 of them in his 14 seasons with the Twins, to place him 5th on the all-time homerun list and second only to Babe Ruth in American League history. He hit over 40 home runs on eight occasions and 30-or-more 10 times while driving in 100-plus runs nine times.

Killebrew was the American League's Most Valuable Player in 1969 when he hit 49 home runs with an amazing 149 rbi and 145 walks, all team records that still stand. He was elected to the Baseball Hall of Fame on January 10, 1984, the first Twin to receive that honor.

29

ROD CAREW

Number formally retired July 19, 1987

No Twins fan will ever forget the graceful power of Rod Carew's hitting stroke. Nor will any baseball enthusiast be able to forget the summer of 1977, when he made his determined run at the untouchable .400 mark, because, just as Killebrew embodied the power of the game, Carew represented the finesse. He was a career .328 hitter in his 19 major league seasons, and was the winner of seven American League batting titles, all during his twelve years with Minnesota. Carew hit .300 or better 15 consecutive seasons and finished his career with 3053 hits, which places him 12th among the all-time hit leaders and makes him one of only 15 players to collect 3000-or-more career hits.

Carew, who won his only American League Most Valuable Player award in 1977 when he finished with a .388 average, was elected to the Baseball Hall of Fame on the first ballot January 8, 1991.

6

TONY OLIVA

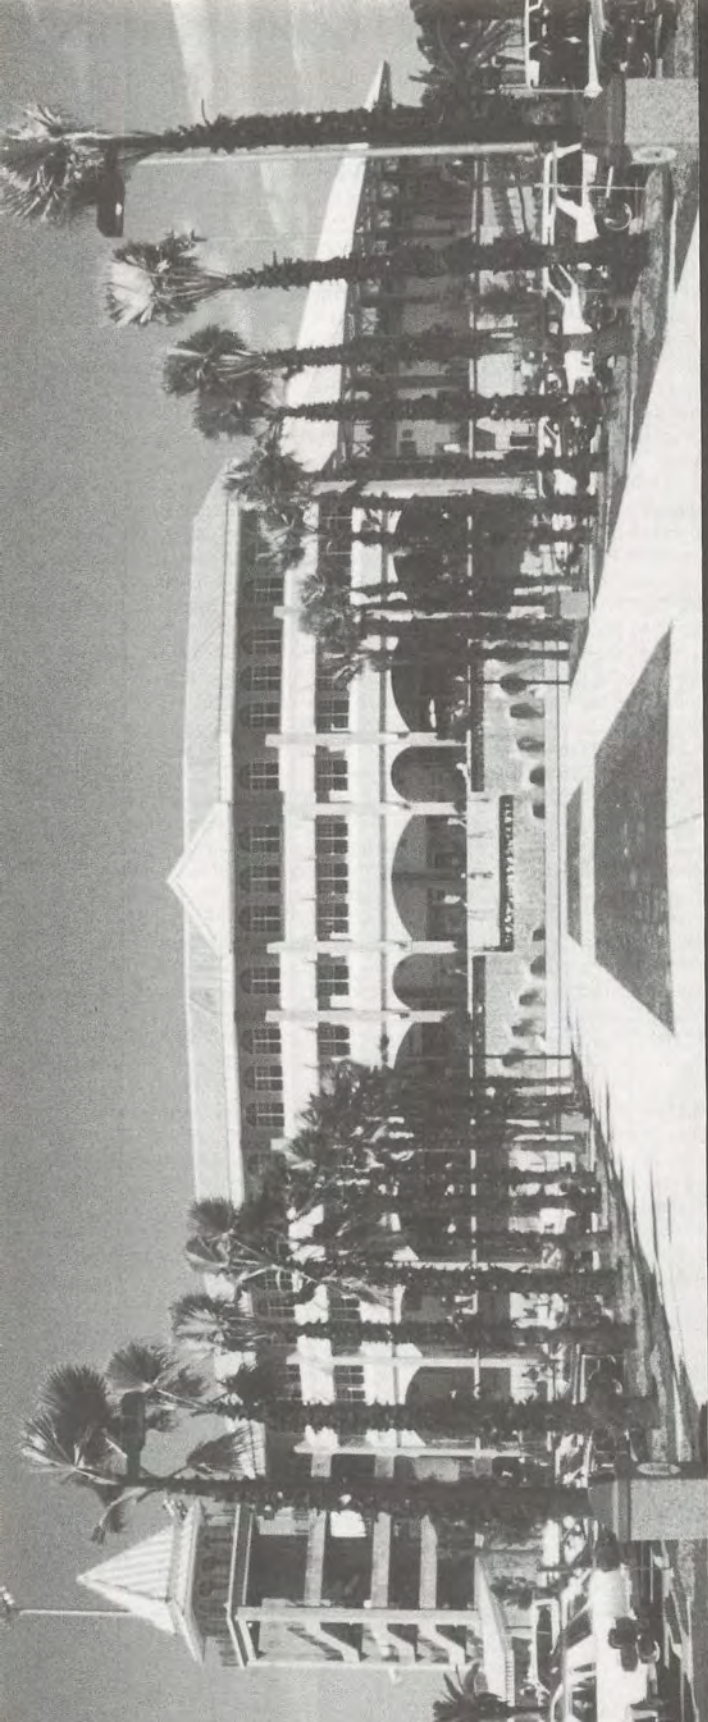

Number formally retired July 14, 1991

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins' player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1917 hits and retired with a .304 career average. He is the only player to win American League batting titles in his first two seasons, and was the winner of three in his 15-year career, which still stands as the club's longevity mark. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times, and his 220 career homeruns rank third all-time among Twins. If not for knee problems which cut his career short, Oliva would have been a certain choice for the Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. Beginning this season, Tony will work with Twins' minor leaguers as a hitting instructor, as well as scout for the team.

MINNESOTA TWINS MEDIA POLICIES

CREDENTIALS for accredited news media are available upon request and may be sent in care of Minnesota Twins Media Relations Department, 501 Chicago Ave. South, Minneapolis, MN 55415. Credentials may also be requested by phone (612) 375-7471, or by FAX (612) 375-7473, but the request must be made no later than four hours prior to game time. Credentials may be picked up at the Press and Player Will Call window 1 1/2 hours before the start of the game or in the Media Relations department before that. The Will Call window is located on Chicago Avenue, adjacent to the Twins' ticket windows. Daily and season credentials will be issued only to working members of the media and must be displayed at all times while in the Metrodome. After picking up credentials, you must enter through Gate F, located on the corner of Chicago Ave. and Fifth St. The press box is located on street level directly across from Gate F.

PRESS TICKETS: A limited number of media tickets are available in front of and above the press box for sports and news personnel on a first-come, first-served basis and must be requested no later than 2:30 p.m. for night games and 5:00 p.m. of the preceding day for day games and 5:00 p.m. on Friday for weekend games. After those times, no further requests will be accepted. We ask that each request be limited to two (2) tickets with each accompanied by a check to cover the price of the tickets (\$14 apiece for lower deck and \$10 apiece for upper deck), while those ordering over the phone must pay by cash or check when picking up the tickets. All tickets will be placed at the Press and Player Will Call window the day of the game no earlier than 1 1/2 hours before game time. No tickets will be mailed out in advance.

INTERVIEWS: Most interviews may be conducted on the field during batting practice where the manager, players and coaches are usually available, as long as the interview does not interrupt their pre-game routine. Members of the media must stay in foul territory between first and third base. In-depth interviews that require more time with a player should be arranged through the Media Relations department by contacting Rob Antony or Steve Rausch at (612) 375-7471. Reporters and broadcasters must leave the field and that photographers report to their assigned photo positions no later than one-half hour before game time.

CLUBHOUSE ACCESS: The Twins' clubhouse will be open to media with clubhouse credentials until 30 minutes prior to and no longer than 10 minutes following each game. All live television broadcast shots must be conducted outside the clubhouse. On occasion of a team meeting, the clubhouse will be closed until the conclusion of the meeting. The training room and weight room are closed to everyone except the manager, coaches, players and Twins' officials. Should the clubhouse be closed, players will be made available outside the clubhouse as requested. The dugout is off limits during the game for everyone except the manager, coaches, players, trainers and certain club officials, in accordance with American League rules.

PRESS BOX: Space is under the jurisdiction of the Baseball Writers Association of America and is available for accredited members of the media on assignment only. The lower level is reserved for writers and broadcast reporters, while the upper level is divided into broadcast booths for live coverage by radio and television networks. Phones and Sports Ticker News Service are available. To reach the Media Relations office and the Twins' dining room, take the press box stairs down two flights to Lower Level 2 and take a right. Proceed past the Twins' clubhouse and enter through the wooden doors.

PRESS ROOM: The Twins' dining room, located on Lower Level 2 near the Media Relations office, is available for pre-game meals to media with appropriate credentials approximately two hours prior to game time. Complete note sets containing statistical information will be available in the dining room, as well as the press box.

PHOTOGRAPHERS: Due to a lack of on-field photo spots, the first and third base photo bays are limited to the two local papers, the two wire services and Dome Vision cameras. Certain exceptions may be made depending on space availability. An alternative for photographers are the two upper deck photo baskets. Photographers assigned to the on-field locations should remain in the photo bays at all times during the game. If necessary, photographers should leave between innings only. Photos are allowed during batting practice, but photographers must remain in foul territory in the area between first and third base.

PARKING: There is no on-site parking available at the Metrodome, but municipal ramps are available nearby the stadium.

FOR MORE INFORMATION regarding policies or questions about interviews, photo requests, statistical information, credential requests, media ticket orders, news releases, etc., contact Rob Antony, Steve Rausch or Wendie Erickson at (612) 375-7471.

TWINS' 1992 BROADCASTERS

HERB CARNEAL

The dean of American League radio broadcasters, Herb Carneal celebrates his 30th year as the 'Voice of the Twins' in 1992.

Hired away from the Baltimore Orioles in 1961, where he was part of the play-by-play team for five years, Carneal has been behind the microphone for all but the first of the Twins' 31 seasons. He has become an institution not only in the state of Minnesota but throughout the vast reaches of the Upper Midwest to which his voice carries.

Before joining the Orioles in 1957, Carneal served as sports director of a Philadelphia station where he broadcast Athletics and Phillies games.

Carneal and his wife, Kathy, live in Edina and have a grown daughter.

JOHN GORDON

The 1992 season is John Gordon's sixth as the Twins' radio counterpart to Herb Carneal. Before coming to the Twin Cities prior to the 1987 season, Gordon was part of the New York Yankees broadcast crew from 1982-86.

The Detroit native began his broadcasting career with the Spartanburg Phillies in 1965 after graduating from the University of Indiana. After five years with Spartanburg, Gordon joined the Baltimore Orioles where he remained until 1973, when he accepted the broadcasting job at the University of Virginia to become the voice of Cavaliers football and basketball. From there he joined the Yankees' Class-AAA affiliate Columbus Clippers from 1977-81, before moving to New York in 1982.

John and his wife, Nancy, have two grown children and make their home in Apple Valley.

TED ROBINSON

Ted Robinson begins his fifth season as the Twins' play-by-play announcer for games televised on WCCO, KITN and Midwest Sports Channel. A broadcaster whose resume currently includes play-by-play assignments for the Twins, Notre Dame football and basketball, University of Minnesota basketball and CBS Radio, Robinson has also worked calling games for the Oakland A's, Minnesota North Stars and Golden State Warriors in his 12-year career.

A New York native who attended Notre Dame, Robinson has teamed with Jim Kaat since 1988 to give the Twins one of the game's premier broadcast tandems. He enjoyed one other stint on Twins' television broadcasts in 1984 before returning following the 1987 season.

Robinson, 33, and his wife, Mary, have two children and make their home in Bloomington.

JIM KAAT

As a player for 25 major league seasons, 13 of them with the Twins, Jim Kaat was known as one of the best pitchers of his time. Now as a broadcaster, he has once again established himself as outstanding in his field. He begins his fifth season on the Twins' TV network in 1992.

The winningest Twins' pitcher ever with 189 career victories, Kaat went on to amass 283 wins in a career that included service with Washington, the Chicago White Sox, Philadelphia, the New York Yankees and St. Louis before retiring in 1983. In that time, Kaat won 16 Gold Gloves, which ties him with Brooks Robinson for most in a career.

Following his playing career, Kaat served as pitching coach for the Cincinnati Reds for the 1985 season before he entered the broadcast booth full-time. Aside from the Twins, where he started in 1988, his broadcast credits include play-by-play work for the Atlanta Braves, New York Yankees, ESPN—for whom he telecast college baseball—and most recently, CBS, where he is part of the network's national baseball coverage of the regular season, All-Star game, league playoffs and World Series.

Jim and his wife, Marianne, split the year between Minneapolis and Florida.

TWINS' SPRING TRAINING MEDIA POLICIES

SEASON CREDENTIALS (including parking): Issued only to daily newspaper reporters who'll be covering the club, home and road, and to area radio and TV sports reporters and camera crews who will be covering on a regular basis.

All other media entities will be credentialed on a per-game basis (including parking).

Transferral of working press credential will result in the termination of coverage privileges for the individuals involved.

FIELD ACCESS: Allowed during batting practice and other workouts during the early training period, but once the game schedule begins the field must be cleared at the end of visitors' batting practice. All reporters must confine themselves to foul territory within the baselines. Workouts begin daily at 10:00 a.m.

DINING ROOM ACCESS: Available only to those media credentialed to cover that day's game. This room will open at 11:30 a.m. for day games (5:30 p.m. for night games) and will close at gametime. Following the game, it will be opened for the manager's press conference only.

Working photographers will be permitted in the press dining room on the same basis as other reporters.

PRESSBOX ACCESS: Permitted only to members of the Baseball Writers' Association of America and to coverage reporters of area daily newspapers and radio and TV stations. Weekly newspapers can be accommodated only on a space-available basis.

CLUBHOUSE ACCESS: Limited to members of the Baseball Writers' Association of America and to coverage reporters of area daily newspapers and radio and TV stations. The clubhouse will be open during the pre-schedule workout period with certain exceptions. During the game schedule, the clubhouses will be closed at the end of batting practice and for a five-minute period following games.

Clubhouse access is limited to the player-locker area and the manager's office. The training room, exercise room and equipment rooms are off-limits to all media.

No cameras are allowed in the clubhouse.

INTERVIEWS: Players will accommodate when possible where on-field interviews are concerned, but please don't ask them to make in-studio appearances.

RADIO & TV: No cameras will be allowed in the clubhouses. Feature material should be filmed on the field during batting practice. Post-game interviews should be conducted on the field for TV; radio may be done in the clubhouse.

CAMERA POSITIONS: Several camera positions are available for shooting during the game, but no cameras will be allowed on the field itself. The centerfield position will be for game television cameras only, as will the low home position. High and low, 1st and 3rd base will be credentialed on a space-available basis.

PHOTOGRAPHERS: No photographers will be allowed on the field during the game or in the clubhouse at any time. There are at least four positions from which photographers may shoot during games.

On the first two days of batterymen workouts and the first two days of full-squad workouts, cameramen and photographers will be allowed the freedom of the field during the exercise period, but must stay in foul territory during the actual workout times. On all other days, all media personnel must stay in foul territory and no farther down the lines than 1st and 3rd bases.

PHOTO DAY: Will be on Monday, March 2, beginning at 9:30 a.m., sharp. All photographers seeking file head shots are asked to cooperate by doing this on Photo Day, when the players will be made available in an assembly line fashion to accommodate all accredited news services.

AUTOGRAPHS: Professional journalists do NOT ask for autographs under any circumstances. Any media members caught asking for autographs will have their credentials revoked.

TICKETS: May be purchased by coverage personnel out of a block held for this purpose. These are priced at \$8.00 each. These tickets must be for personal use only and advance notice is recommended to increase chance of availability.

FOR ADDITIONAL INFORMATION: Call Twins' media relations director Rob Antony (813-768-4213) or media relations assistant director Steve Rausch (813-768-4214) or write Lee County Sports Complex, 14100 Six Mile Cypress Parkway, Fort Myers, FL 33912.

SPRING TRAINING RECORDS

This is the second year that the Twins are training at Lee County Sports Complex after having trained at Orlando's Tinker Field from 1936-90.

The Twins' minor league training drills were switched from Melbourne to Terry Park in Fort Myers in 1990 and the entire organization was united at the Lee County Complex last spring.

Complete spring training team statistics have been kept only since 1965. The various categorical highs since then have been as follows:

LEE COUNTY SPORTS COMPLEX

The Twins begin their second spring training season at the Lee County Sports Complex in 1992. Spurred by the state-of-the-art facility, the Twins went on the win the World Series in '91 after enjoying their most successful spring training camp in history as they posted a record-high 21 wins and drew a record-breaking 112,355 fans in their first spring in Lee County.

Located south of the city of Fort Myers near Interstate Highway 75, the Lee County Complex is home to the Twins and their six minor league affiliates. It features five full and two half fields, the centerpiece of which is a 7500-seat stadium in which the major league Twins play their exhibition games and conduct their daily workouts.

Complete home and visiting clubhouses are included in the stadium proper, and complete facilities for the minor league teams are contained in a building adjacent to their playing fields.

The major league club's administrative offices are located in the stadium, with the minor league department's offices in the building adjacent to their fields.

The complex also features two soccer fields, a softball complex and other athletic facilities for use by Lee County organizations, plus an eight-acre water-management lake for public fishing.

Ample parking is provided for all events.

The Twins trained in Orlando, Florida, from 1936 (with the exception of the war years of 1943, '44 and '45, when they conditioned in College Park, Maryland) to 1990, and their minor league clubs moved to Terry Park in Fort Myers in 1990, after headquartering in Melbourne, Florida, since 1964.

The Lee County Sports Complex, a \$14,000,000 undertaking, was completed in February, 1991. Lescher and Mahoney, an architectural and engineering firm based in Tampa, Florida, were the lead architects for the project, with design assistance from Ellerbe-Becket of Kansas City, Missouri. Case Contracting Company of Plant City, Florida, was the contractor.

The Twins and Lee County have a twenty-year agreement for use of the complex.
